(Statement of Claim Continued)

Court allowed the fraud to continue. The recorder's office records showed multiple properties & land owned by my grandfather and claims his ex wife as being surviving spouse & joint ownership. Other paperwork shows her living in Florida where Mr. Cannon also practices and married into the name Giel. She was asked to be removed from next of kin on my mother's estate - leaving her 4 minor children. (Judge did not sign for removal) 6 years passed from my grandfather dying until his estate was "claimed" in '95 when my mother passed Sept. of 1995 and in '96 a probate case was filed and the clerk told me it was settled outside of probate. I went to my mother's last known address and was screamed at to leave until another man claiming to be Ms. Connolly's brother heard who I was. He said he knew me then called MS Connolly and stated "We have a problem." It seems she used her right to merge estates (dominant & servient) sell the properties and continue to live on another property for personal gain. Never administering to the next of kin when legal ages allowed.

V. Relief

(State briefly exactly what you want the court to do for you. Make no legal arguments. Cite no cases or statutes).

I am seeking money damages for what ever the 3 listed properties values are, and for what asset care or taxes or trusts that may have also been hidden and stolen. I would like injunctive relief as a full investigation into the criminal activities and other estates / victims who may have suffered for legal malpractice property fraud and forged documents by the Lake County Probate Courts.

I declare under penalty of perjury that the foregoing is true and correct. To the best of my knowledge.
